OFFICE OF THE HEADMASTER

14 July 2021

Dear parents and guardians,

Re: School Dates and Re-opening

I write to update you on key school dates and end of term modalities.

Key term dates are as follows;

**End of Term 2: 30<sup>th</sup> July 2021**

**Beginning of Term 3: 23<sup>rd</sup> August 2021**

Remote learning continues until the end of term. I encourage you to continue to push children to work as if they are at school. This applies more pertinently to pupils in exam classes as there will be less time to catch up in the traditional setting.

Mid-year exams will be administered at the beginning of Term 3 when, hopefully, students will be back in school. Attainment data from these exams will be added to reports and sent out before the end of September. However, parent-teacher consultation will take place on Tuesday 27<sup>th</sup> (exam classes) and Thursday 29<sup>th</sup> (everyone else) of July. As is now the norm, form tutors will call you with comments from subject teachers. Phase heads be in touch with further details on this.

I will update you on any developments from the Ministry of General Education as they come up.

In the meantime, please keep safe and continue to take all precautions against infection.

Kind regards,

Dr M. Matshakaile

Headmaster
